A Word from Bro. Dave **CATCH THE VISION**

And so you've noticed a banner in the sanctuary.....Yes?

"To the ends of the earth" it says because those are the words Jesus used with the apostles both in Matthew 28:18 -20: "Go and make disciples of all nations" and also in Acts 1:8 when he said to those same apostles "you will be my witnesses in Jerusalem, Judea, Samaria and to the ends of the earth." Wow! Always fresh, always contemporary! What an incredible vision and plan Jesus placed into our hands!!!

I say "our hands" because it only started with the apostles. Jesus phrased the Great Commission in the Matthew passage in such a way to include every Christian when he said , "teach them (the new Christians\Disciples), to obey ALL I have commanded you." What's included in all? The command to "Go, teach, baptize and obey!" In other words, it is a cyclical command to make disciples that all participate in, and a plan that never ends until HE returns!

This Fall, we are looking at how to get better at, and be more obedient to this vision and call and privilege in our life. It is "love to the max" to do so according to Go. And so church,...let's go! Let's step up and serve more, and give more, and learn more, so we can share more of that life changing Jesus story to all we possibly can!

With much love for you – Pastor Dave

First Whitewright's Children's Ministry has started the school year off great! Our Sunday morning programs (Nursery & God's Word Kid Style) and our Wednesday night Awana program all continue to grow. As the ministries grow and we continue to see new young faces, we need additional volunteers to join our amazing team! **Would you consider serving 1 time per month in on Sundays at 9:30 or 10:45? Are you available to serve on Wednesdays at 6pm? Contact Kaci @ 318-680-5099 or email children@fbcwhitewright.com.**

Exciting Youth Updates & Serving Opportunities

First Whitewright Youth officially met in the almost renovated youth house. The project has taken a little longer than expected to be completed, but the end is in sight! Carpet will be installed in the next two weeks, coffee room and game room will be finished out soon after that and the main meeting room will be set up with sound, video and flat screens within the month!!! The students are really excited about the vision and I hope the congregation is as well. Please feel free to check it out whenever you can. *We would like to ask you guys, who are capable and willing, to pray about tutoring students in the upcoming months. One of the major reasons we have taken on this project is to offer students in our area an opportunity to get out of the chaos that most of them live in on a day to day basis for a few hours a day. With that, we would like to offer some type of tutoring program for students in our community that are looking to outside help.* I could ramble on and on about this vision but please pray about this idea and feel free to pull me aside, call, text or email me with any ideas or questions. Thank you church for loving the students of Whitewright, they need it and feel it.

Much Love,
Bro. Jered
