A Word from Bro. Dave

CATCH THE VISION

The bible periodically whispers to us from the Proverbs, "Without a vision – people will cast off restraint, but...." (29:18)

There's a lot in those first few words. For one, vision is super-important because we need direction, a goal, a purpose for our life. Secondly, because "God is love", and created us with those needs, he also provided for them – He spoke!!! He supplied the Vision! He wrote it down!

As we meditate upon His words in the bible, we discover He has an amazing and powerful vision and plans for each of us. It is in His plan and vision we find our focus, and discover the real meaning and purpose for our lives that includes all of eternity!

This Fall we are looking into His beautiful "restraining" vision, purpose and plans for us as His people, that brings us the true blessings and real happiness, (as spoken in the last few words of this verse below!) As you take time to pray and read each week, come to His house this Fall to celebrate and participate in His vision of you, His vision for you, and His vision of us his people, joined together as family!

".....Happy\Blessed is he who is careful with His word!"

With Much love for you – Dave

There is so much going on in our youth ministry and we are extremely excited to see what the Lord is going to do this school year! The youth House is nearing completion, if you've been living under a rock we have begun a remodel of the old Sunday school annex to give our teenagers their very own place at First Whitewright! The project is scheduled to be completed and unveiled at our **"Saw You At The Pole" rally on Wednesday 26th!** The youth group is also going to be taking on a "new look" this year with our mission being "Elevate". We are praying, and asking you to join us in prayer, that as a group we can elevate the name of Jesus higher than any other, elevate those around us to see the Love that Jesus has for them and to elevate our hearts in a spiritual act of worship. We are going to attempt to brand our times together as "elevate", I just want to make sure we're all on the same page. Hope to catch you at Elevate on Wednesday nights! Much love fam!
