A Word from Bro. Dave

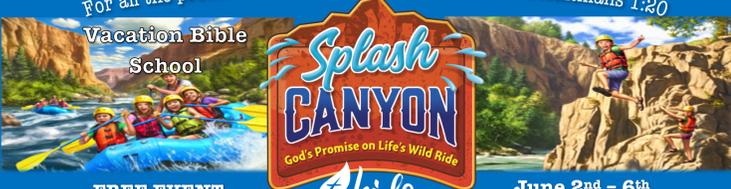

Well.... its May, and May basically stands for "Mayhem" it seems, as we look at our "calendars which runneth over!" And yet maybe we should challenge ourselves to take the wider view and the spiritual view seeing every event and activity as not something we have to do, but something we get to do - as each is really an opportunity to make a difference!

Through our outreach to teachers and students this week, and our public servants, fire fighters and police in the weeks to come, we have an opportunity to reach out with love, appreciation, kindness, encouragement, and even an invitation to join us for worship at the greatest church in the world! Through AWANA family night **this Wednesday**, Baccalaureate, and Graduation around the corner, we have still another opportunity to reach out to families, children, and students and bless them. And then there are sports banquets, academic banquets, band concerts, little league games and more, - all excellent opportunities to show our love and care for others with the presence of Christ!

Ephesians 5:15-16 comes to mind "¹⁵Be very careful, then, how you live—not as unwise but as wise, ¹⁶making the most of every opportunity, because the days are evil." Time is running down, Jesus is coming, opportunity surrounds us this month! Let's strive to make the most of it and the most of Him!!!

For all the promises of God find their Yes in Him. 2 Corinthians 1:20
